TURN YOUR ERASMUS+ INTO A LIFE CHANGING EXPERIENCE

Plus Project is an Erasmus+ training provider located in Malaga / Spain that organizes inspiring, practice-driven, dynamic and innovative training courses for school and adult education professional staff, in accordance with Erasmus + KA1 programme.

We create the most appropriate training and project opportunities for you and your organization, facilitate and speed up your application and admission processes, and leave you just to enjoy this unique experience in a maximum level.

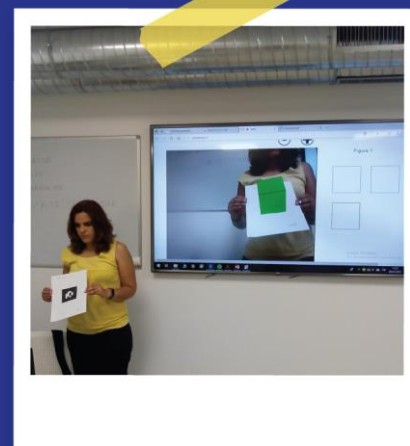

TRAINERS

Our trainers are local experts of their fields whom have been selected with a professional and special care to truly achieve the goals of European Commission's educational programmes and fulfil the professional needs of our participants.

METHODOLOGY

In order to achieve your project's objectives in a practical, dynamic and participative way, we adopt a hybrid approach in our trainings that is teaching formal topics by blending them with non formal activities.

COURSE LOCATIONS

Our courses are held mainly in Europe's main and important metropolises. In this way, our participants not only have the opportunity to experience authentic European culture and history in place, but also to observe European education systems and good practices on site.

MALAGA

MADRID

BARCELONA

AMSTERDAM

 **BRUSSELS**

 **COLOGNE**

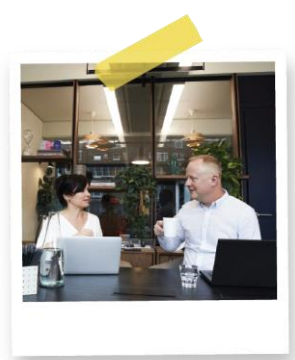

CERTIFICATION

At the end of the course, each participant will be awarded a certificate of attendance including training details, with the Europass Mobility Certificate.

TAILOR MADE

We organise tailor made courses about your project's specific topic for groups of minimum 5 participants.

PROFESSIONAL VISITS

Our courses include profesional visits to local schools and institutions to gain an in-place understanding of European education system and observe best related practices being carried on about your project's topic.

INTERPRETER

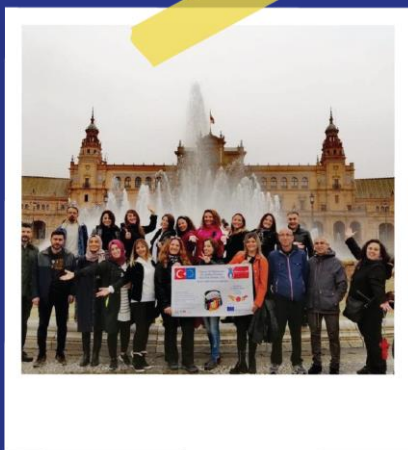

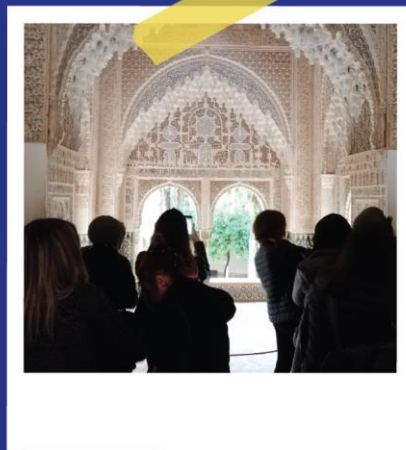

Our multicultural staff is always on your side to make your professional activity the most productive with their multiple language skills.

EXCURSIONS

We have city tour and activity organizations for our participants to make them spend their time remaining from the course in the most enjoyable way. Guided tours to nearby cities and countries are organized upon request.
